

MEMORANDUM FOR: Director/OER

Maurice --

As you know, Mr. Colby's reaction to your post-mortem on the 1972 Soviet grain purchase situation was very good indeed. It was so good, in fact, that he would like to see a similar post-mortem done on the 1973 experience. Please advise me when would be the proper time to submit such a post-mortem so that we can schedule it.

MEMORANDUM FOR: Mr. Colby

Bill--

Attached for your background is the memo to Andy Marshall I mentioned this morning. It outlines some of the things we have done as a result of what we learned from our experience regarding the 1972 Soviet grain purchases.

The note in the upper left-hand corner of my memo reflects an agreement Andy and I reached on how to handle the more sensitive parts of this memorandum.
